How do we create more forward-looking institutions?

How do we combine progressive pedagogy with 21st Century Tools?

And how do we prepare students for a world that we cannot predict?

EduCon 2.0 is a School 2.0 conference. It is an educational innovation conference where teachers, students and administrators can come together, both in person and virtually, to discuss the future of schools. Add your voice!

EduCon 2.0:
January 25-27, 2008
